

Sale Name: Estate Auction - Statesboro, GA

LOT 306 - Cabelas heavy duty meat grinder complete and working

Description

Powerful 400W motor delivers the grinding power you want when facing a large pile of meat. Durable aluminum hopper, feeder, and gearbox offer fast and easy cleanup when the grinding is done. Metal blades and grinding plates deliver years of use. 3-way toggle switch allows you to switch between grinding, stuffing, and reverse modes with its cantilever-head release. Stable, nonslip feet and convenient power-cord storage.

Includes two #8 grinding plates (fine and medium), 3 sizes of stuffing funnels, stomper, stuffing star, and a pocketed dust cover

Quantity: 1
