

Sale Name: Estate Auction - Statesboro, GA

LOT 2 - 1948 Farmall Cub

Description

Not currently in running condition. This Cub was fully restored in 2016 with new clutch new rear seals, brakes gone through , new starter, converted to 12v power. Has sat since 2020 when the ignition was replaced, but has not run since. Engine has great compression (we can pull it and you can check compression). Includes period correct Woods belly mower. Front tires are new. rear tires are old but have tubes and hold air perfectly. This Cub is complete and is not missing any parts. It can make a very nice running tractor for the winning bidder who can solve the electrical mystery. Interested bidders are encouraged to come inspect in person.

Quantity: 1
