

Sale Name: Industrial Liquidation - Savannah, GA

LOT 1 - 2005 International 8600 35 Ton Semi

Description

****This truck is located at the South Auction warehouse location in Statesboro, 656 Miller Street Extension. It is NOT at the Savannah location at which the other items in this catalog are located. Pickup dates for this unit can be flexible.**

VIN: 1HSHXAHR65J009334. 2005 model with a September 2004 manufacturing date. 330,443 miles. This unit is in good running condition and was driven from Sylvania to the auction site in Statesboro (pulling a trailer) with no apparent problems. AC is not working but compressor is cycling. Paint has a few peel spots. Drivers side door key barrel is missing, but the door latch still functions properly. [VIDEO HERE](#)

Interested bidders are encouraged to inspect this unit in person to draw their own conclusions. Georgia title will be signed over to the winning bidder and will be accompanied with a bill of sale and affidavit of repossession. No tax will be charged as the winning bidder will settle TAVT in their County of registration.

Quantity: 1
