

**Sale Name:** Warehouse Estate: Tools, Traps, and Collectibles

**LOT 178 - Heavy-Duty Metal Automotive Ramps**

**Description**

Heavy-duty metal automotive ramps designed for vehicle maintenance and repairs. Constructed from durable steel with a rusted finish, the ramps feature a ribbed texture for added traction and support. Ideal for elevating vehicles safely, each ramp includes a sloped surface for easy vehicle access and a flat top for stabilization.

**Quantity:** 1
