

**Sale Name:** Warehouse Estate: Tools, Traps, and Collectibles

**LOT 243 - Reese Sway Bars for Weight Distribution Hitch**

**Description**

Reese sway bars designed for use with a weight distribution hitch. Constructed from durable metal with chains for securing. The Reese brand is stamped on the metal. Both bars exhibit signs of wear and rust, consistent with prior use. Functionality intact but may require cleaning for optimal performance. No additional hardware included.

**Quantity:** 1
